Public awareness and consultation event

Carers Rights

September 8th 2010

Team Talk, Rougier Street, York 10.30am - 4pm

Carers make a valuable contribution to the assessment and treatment of their loved ones. If you are, or have been, a carer come along to this event to find out about some of the services available to carers.

Speakers from a number of different organisations will be talking about a variety of issues including:

- Young carers in education
- Employment issues for carers
- Welfare benefits for carers
- Carers assessments

The event is open to everyone and is free of charge. There is no need to book in advance. If you need any further information please contact York LINK
